## *International School of Brooklyn Deadline Approaching*

International School of Brooklyn (ISB) is now accepting the following *new* applications for the 2006-2007 school year:

1: Spanish Pre-Kindergarten and Kindergarten; French Kindergarten. (The application deadline for these programs is February 28th, 2006.)

2. ISB French and Spanish Language Immersion Summer Camp 2006. (Registration began February 15th.) ISB French and Spanish Language Immersion Summer Camp is designed for any child — for those with a firm grasp of the target

language and those just beginning to learn. Children fluent in the target language will hone their conversational skills and expand their vocabulary, and children who are just beginning to become bilingual will enjoy the opportunity to immerse themselves in the language with their peers in a supportive atmosphere.
